Hear what your Clackamas and Multnomah County officials believe about the importance of arts in our schools and community, and how they will support those who understand that arts funding is critically important within our community.

Enjoy local wines and light hors d'oeuvres from Art de Cuisine, local art display from artists Gary Michael and Mickey Weaver, and live music from the cast of **Ain't Misbehavin'** at Stumptown Stages. Meet with--and help us elect--these arts-supportive Clackamas and Multnomah County Candidates:

**Jim Bernard** for Clackamas County, Position #5 (Commissioner at Large); **Paul Savas** for Clackamas County, Position #2 (Commissioner at Large); **Jules Bailey** for Multnomah County, District 1.
